

Is a certain world's harem

I could really go for some outdoor Kushiyaki

Kushiyaki are generic term for skewered and grilled meat and vegetables.

I was
ambushed
by some
sneaky people
and ended up
being
kidnapped

The other
day when
I went to
the forest

紫屋のひとりごと

Among the
kanten
servants,
there are
a lot who
can't read

To
execute
Hantei
is a
whole
different
matter

Before
joining
the kanten
we are
taught
some
manners
but

I think
it would
simply be
a stretch
to assume
a 50%
literacy rate
across the
country
etc.

There have
been cases
of
evolution
into
lower-
classes

Among
the
literates,
even if
extremely
rare

紫屋のひとりごと

in short

appearance is everything.

Tricks

Barber

It's not like I wanted it applied.

There's no way accidentally, but that is a reality for me.

Face full of tricks and body without nerves

a little bit
of
sense
of justice

And

but she
also
possessed
an uncon-
trobbable
curiosity
and thirst
for knowledge

She had
quite
a bit of

In these
next days
she would
learn that
life does
not always
go as
planned

AS I
THOUGHT,
IT'S
A CURSE
ISN'T IT?!

A certain rumor was circulating the Imperial court.

What are you talking about?

YOU DON'T KNOW?!

The consecutive deaths of the emperor's offspring seem in the horizon!

and this
is incredible
princess

are
the only
survivors

Cur-
rently

this
is incredible
trials last

How-
ever

The one
born in the
highest
rank of the
nobles

is the one
who
saves earth
to the
trials last
Lady Raku

I guess
you
could
say that
when
the Emperor
doesn't
have a heir
Emperor

Then
the one
who
saves earth
to the
trials last
is the
one
with the
highest
rank

It seems
like
the one
who
the Emperor
doesn't
inherit

is the one
who
saves earth
to the
princess,
Lady Raku

薬屋のひとりごと

If you include the rice storerooms and the gardens, it was larger than some towns.

It had the inner palace, flocks and kitchen buildings.

The entire Lianhai could be said to be like this.

Even a simple object is more elegant than on the next side.

The kitchen level looks rather large after all.

As expected of the main building.

IT'S YOUR FAULT!

BECAUSE
YOUR OWN
OFFSPRING
IS A
FEMALE

YOU
INTEND
ON
CURSING
MY SON
TO DEATH!

Lady Rifa

You know
just
as well
this
is not
possible.

Because
my Shachin
is suffering
the same
way.

Lady Gyokuyou

Headaches,
stomach-aches
and nausea

The
infants
die.

As I
thought.

Lady Rika
seems
to have
lost
weight

And
most
importantly

...this is nothing
like a curse

Not even
a month
after
the
convulsion

藥屋のひとりごと

I wrote a simple letter and tied it around a flower

After losing the prize.

Lady Rute seemed only a shadow of the person previously known as the Rute

At this rate, it's only
a matter of time
for the seal to
happen to Epoujou's
daughter

So
then,

Yes

Right after
that
commotion,
someone
left that?

So that's
how it
happened
 huh

I am
also at
fault

Indur-
rances
is a sin,
can't it

if only I
had paid
more
attention,

to what
the baby
was
sucking in
her mouth,

just
who
could
have
wronged
-

Be
that
as it
may.

Lady
Geyou-
you

if I happen
to find
this letter's
author

What
should
I do?

Has
been
survivor-
red?

El?

Are
you've
been
survivor-
red

Survivor
of
love?

To the
chief of
staff's
office

That's
right

I
wonder
what
do they
want

Go
in

ほろ

Ah! The
shoulders
are
broad

It's
a
man?

What
a
waste

Ah!?

NOTE:
The woman with
the freckles
over there,
you are
staying
over time.

Looks like
you are
the one
staying
overtime
huh?

I'm
Jinsai

Be
quiet
and
follow
me

I
assume
I'm
going
to be
fucked
now

Thank you
for what
you've
done.

You know
the work clothes
used by the
lower
servants
right?

LETTER
The face powder
is poison,
don't let the lady
touch it

—おしろいはどく、赤子にふれさすな—

Yes.

Now that
you
mention it,
it kind of
looks
like it.

And it even
looks like
your skirt
has been
ripped

Furthermore,
the lower
servants
have different
clothes
depending
on their
task.

I guess there's nothing I can do now that I've seen everything completely exposed.

After reading the truth of the matter

I took a letter to the two ladies

That day

This face powder used in the lantern contained poison, so all they had to do was not use it.

It was simple.
